

# Smoky Mountain Stack

This style is a semi-coursed blend of Long Island and Pitched Stack patterns for a modern, one of a kind appearance. Smoky Mountain offers the ability to dry stack or be used with a 1/4 inch to 1 inch grout joint for installation purposes. Sizes range from 1 inch to 6 inches.

Smoky Mountain Stack in Autumn Blend embellishes the signage at this house of worship.

A: Stone Mountain  
C: Kent

B: Memphis  
D: Crab Orchard
